Greeting

Chef Akihiro Yamada

With the spirit and skills inherited from my grandfather and father, Kaisen Shunsai Uosa has long been cherished in Namba. Inspired from an early age to pursue the culinary arts, I trained in Kitashinchi and eventually opened my own restaurant there. In 2024, we relocated to Nishitenma. With heartfelt sincerity, I strive each day to create a place where guests feel, "I want to come back."
